PROMISE **ALL** ATLANTA CHILDREN THRIVE

MISSION

To create a citywide alliance focused on improving outcomes for Atlanta's children ages 0-to-5 years old.

VISION

Families in the City of Atlanta have what they need to ensure that all children starting at birth are healthy, learning, and developing so that they enter school ready for success, thrive once in school, and are prepared to reach their full potential as citizens of our city.

VALUES

We are champions for children.

We respect and believe in every child's potential and promise.

We are advocates for families and put them first in our decision-making.

We are all neighbors and commit to working together to ensure all our children are healthy, supported, and receive the foundational skills to live meaningful lives.

We are all responsible for helping our children under five years old THRIVE for our city to be successful today and tomorrow.
