

STROLLING THUNDER™

Georgia

GEEARS: Georgia Early Education Alliance for Ready Students is excited to announce **the seventh annual Strolling Thunder**. This event gives families from around Georgia the opportunity to **speak personally with elected officials** about the joys and challenges of raising young children.

This opportunity is for Georgia families with young children. Your infants, toddlers, and/or preschoolers are invited to attend this event with you.

Families with young children that register and attend this event will receive a gift card for their participation.

This year's Strolling Thunder is a two-part event:

- 1** The **first part of the event is a virtual training session** where you will learn what to expect and empower you to share your story during your day at the Georgia State Capitol. There will be three identical trainings on **Saturday, February 10th from 10:00-11:00 AM, Thursday, February 15th from 7:30-8:30 PM, and Friday, February 16th from 12:00-1:00 PM.** You only need to attend one training session.
- 2** The **second part of the event will take place in person on Thursday, February 22nd from 8:00 AM – 1:00 PM.** Your young children (infants through five-year-olds) are invited to attend this event with you. Expectant parents are welcome to attend, as well. During this fun-filled day, our home base will be the Freight Room at the Georgia Freight Depot. We'll be there for snacks and lunch, giveaways, kid-friendly entertainment, and more! We'll also cross the street to visit with our legislators at the Capitol.

It's more urgent than ever that Georgia's leaders support young children and their families. We hope you'll join us in making your children's potential Georgia's priority.
