

QUESTIONS TO ASK CANDIDATES

1

What do you think are **the biggest challenges** facing families with young children?

2

What skills and experiences have prepared you to be **a champion for young children** and their families?

3

Child care is expensive, making up over a third of a low-income family's budget. Yet access to child care assistance is limited. How will you ensure that families have **access to affordable early learning**?

4

Georgia ranks 40th in overall child health, according to the Anne E. Casey Foundation. How will you increase access to **affordable, consistent health care** for Georgia's children and families?

5

Many families are one financial crisis away from catastrophe. What policies will you support to protect families with young children **from the rising costs of food and housing**?

6

Challenges like food insecurity, infrastructure, and crime can undermine family stability. How will you **create safe, stable communities** where young children and families thrive?

7

Georgia received an F on the 2025 March of Dimes Report Card for maternal and infant health. What will you do to support **healthy pregnancies, healthy births, and families** during a child's first year?

8

The child care workforce continues to face significant shortages, as low pay drives educators from the field. How will you support this crucial workforce that educates young Georgians and allows parents to work?
